

Activities

The following is a list of games that can be paired with any of your child's grammar target flash cards. You will need to print out your child's target flash cards before you begin the games. Pick and choose the activities that you think will be most interesting for your child. These games are a fun way to get your child motivated to practice their grammar targets at home. Have fun with it!

Matching/Memory Game

Use two sets of the same flash cards and place them face down on the table. Take turns trying to find the ones that match by turning two cards over each time. Have your child say the target on the flash card whenever they flip one over.

Flashlight Search

Hide the flash cards around the room and then turn out the lights. Have your child look for them with a flashlight. Have your child say the targets on the flash cards that they find as they go.

Go Fishing

Put paperclips on the flash cards and 'go fishing' with a magnet on a string (the magnet will stick to the paperclip). Have your child say what flash cards they catch.

I Spy

Stick the flash cards around the room. Then use a toilet paper roll or paper towel roll as binoculars and look for the flash cards. Have your child say what flash cards they "spy" as they go.

Bean Bag Toss

Lie the flash cards face down on the floor. Stand back and toss a bean bag onto the cards. Name the flash card that the bean bag lands on. For a variation of this, set a few cards out on the table and toss a coin onto the cards and identify the card that the coin lands on.

Puzzling

Put the flash cards under puzzle pieces. As your child puts together the puzzle, have your child say the target on the flash card before putting the piece in the puzzle.

Hide the Sticker

Set a few flash cards out on the table. Take turns hiding a sticker under one of the flash cards while the other person closes their eyes. Then try to guess where the sticker is hidden by asking "Is it under the ____?"

Taking Pictures

Have your child take pictures of each flash card with a camera (no film) and identify each flash card out loud as they take the photo.

What's Missing?

Set a few cards out on the table and have your child look at them. Then, remove one card while your child closes their eyes. Have them try to guess which flash card has been taken away.

Driver

Have your child line up the flash cards on the floor to make a road. Drive a toy car over the flash cards identifying each one as they drive over it.

Bag of Cards

Put all the flash cards in a bag. Have your child close their eyes and pick one out of the bag and identify it.

Read-'n'-Seek

Hide the flash cards in a book. Turn each page and have your child say the target on the flash card when they find it.

Hints

Pick one flash card off of the pile, face down. Take turns giving hints about what the flash card is while the other partner tries to guess ("Is it a _____?").

Mailman

Collect several envelopes and place a flash card in each one. 'Deliver' the letters one by one to your child, who opens them and identifies the card inside.

Picture Toss

Draw a circle or use a hula-hoop and toss cards into the circle as you name them.

Or, use a box or basket and throw them in there as you say the target on the flash card.

Games

Play a game together and everyone must take a flash card and identify it before they can take a turn.

Collecting tokens

Put a penny, small toy, sticker or a candy/cracker on each flash card as you name them.

Then say the targets on the flash cards again and collect the objects back in a bowl to keep.

Jewellery

Make a necklace by stringing a bead each time you say the target on the flash card (or link paperclips together each time to make a “chain”).

Bunny Hop

Place the flash cards on the floor. Have your child hop from card to card, saying each target as they hop on it.

Feed a Friend

Print a picture of a clown or character that your child likes. Cut a large hole for the mouth. Have your child “feed” the character by putting the flash cards in the character’s mouth every time they say the target on the flash card.

Ball Roll

Have your child roll a ball onto their target cards and name the ones that the ball lands on.

Spinner

Make a game board with the flash cards. Use any item as a game piece to move around the board. Have your child roll a dice and move the number of spaces, either saying each target they pass as they move or saying the target that they land on.

Sprinkle the Flash Card Flowers

Using a watering can put the flash cards on the floor and have your child pretend they are flowers that need to be watered. Have your child say the target on the flash card as they water it.

Scavenger Hunt

Hide the flash cards around the house. Make a list of the flash cards and check off the cards on the list as they find them. When your child finds a card, have your child say the target on the card.
